**VISITORS**

**Welcome!** We are delighted that you have come to worship the Lord with us today. If you are a guest, please fill out a visitor's card and place it in the offering plate when it is passed. Prayer requests can also be made on the other side of the card.

For us communion isn't only about his death, but his resurrection and triumph over death and sin. His resurrection is the source of the hope we have that God will one day fulfill; eternal life through Jesus the Christ. We invite all who believe in Jesus to share the Lord's Supper with us in remembrance of his great sacrifice and triumph on our behalf.

### A Roll of the Dice

I bet (pun intended), that several of you will occasionally go north of the red river and wager a dollar or two on various games of chance. I feel like there is nothing wrong with that as long as you view it as entertainment and not a legitimate way to make a living or subsidize your income. Let's face it, in the long run the house always wins and folks like us make possible the enormous casinos that are being built not far from here.

I've always been wary of taking too big of a chance. That means especially with my eternal soul. Maybe I'm just a fraidy cat, an expression from my early days, but wagering my eternal soul on the supposition that God doesn't exist or that he doesn't care how I live my life is not the kind of bet I'd like to make in the long run. I believe I'll put my money on Almighty God and on Jesus, his only son. I'll trust that the Bible is God's true word and they will do exactly what it says they will do. Namely, save our eternal souls if we humble ourselves, believe, obey, become baptized in Jesus' name and live a faithful life. You always hear that life is a gamble. I'm afraid I don't want to take that chance in the end. My soul is more precious than a roll of the dice.
