

**W**ELCOME VISITORS! Thank you for joining us today to worship the Lord. If this is your first visit here, please honor us by filling out a visitor's card found on the back of each pew. Your prayer requests may also be made on the flip side of the card. At the close of service, please put your card in the contribution box at the front of the auditorium as you exit. Or you can hand it to any member.

During the service we will celebrate communion. (Sacraments are available on the table in the entry foyer.) This is a time that we partake of unleavened bread and juice from the fruit of the vine to remind us what Jesus has done for us. Communion is not only about Jesus' death, but his resurrection and triumph over death and sin. His resurrection is the source of our hope that God will fulfill his promise of eternal life through Jesus the Christ.

## HELPFUL RESOURCES

The Holy Bible is our first and primary “go to” for help, and inspiration. There are times when additional words or wisdom are helpful for understanding.

With all the doom and gloom in today’s world perhaps you find yourself seeking a little something extra. Fortunately, there are many sources of teaching and inspiration that depend on the Bible for the truths expressed.

Some of those resources that are available to all of us include:

- ***Moments of Inspiration***

This regular broadcast is available any time by going to the website [momentsofinspiration.org](http://momentsofinspiration.org)

Produced by Brother Max Pratt at a local AM radio station in Ballinger and posted on the website for convenience of those who do not live in an area where the broadcast is carried over local radio channels.. Additional information is available at the website. Take advantage of Max’s brief and inspiring messages when you need a little extra boost.

- ***Power for Today***

This booklet is published quarterly. The church receives several copies and they are available to anyone who wants them.

This publication includes a page for each day of the quarter, containing a recommended scripture reading, an associated thought, a brief “lesson” based on the scripture, a suggested song and a brief prayer.

If you need support, and a ‘kick-start” in your daily study, this is an excellent source and adds a bright spot to the day.

- ***The Christian Chronicle***

-More information on this publication is included on pages 2-3.

- ***Christian Appeal***

Produced monthly and copies are always available here. It is also available as a free subscription to your home address. This booklet is full of short essays Often all written by Curtis Shelburne, but on occasion a guest au

thor will be featured. The material is always timeless and sometimes brings smiles to your face. We have several back issues and you are welcomed to take as many as you would like. Maybe you know someone who could use some light—but inspirational—reading. Additional information and back issues are also available at their website: **[www.christianappeal.com](http://www.christianappeal.com)** where you will also find a link to Curtis Shelburne’s newspaper column “Focus on Faith”.

- ***The Spiritual Sword***

This quarterly publication focuses on a single topic in each edition. Several writers are included and a brief biography of each writer is included after his portion of the articles. The articles are thoughtful and—as you would expect—quote scripture throughout their messages. This publication also has a website for more information: **<https://spiritualsword.org>**

The April 2022 edition dedicated theme is : Bible Baptism—A Study Guide.

Individual subscriptions are available—details at their website.

- ***Basic Christianity***

A publication from South Hills Church of Christ in Fayetteville, AR. Essays and studies by Scott Gage on a single topic in each issue. This publication also has a website where you can access and read the complete current issue and back issues are available for reading also.

- ***Brazilian Jewells—African Edition***

## Be Careful to Say Good Words

James 3:2-12

James was one of Jesus' followers. He wrote a letter to some of God's family. We can read his letter in the Bible. One important thing James wrote about was how our words should show our love for God and others.

James said a person's words are like the bit in a horse's mouth. The direction the horse moves is controlled by the way the bit is moved. James also wrote about the rudder of a boat. The rudder is a part of the boat that can be moved to change the direction of the boat. The bit and rudder are both small, but they make big changes in how the horse or boat moves! Our words are a small part of what our bodies can do, but the things we say make a big difference.

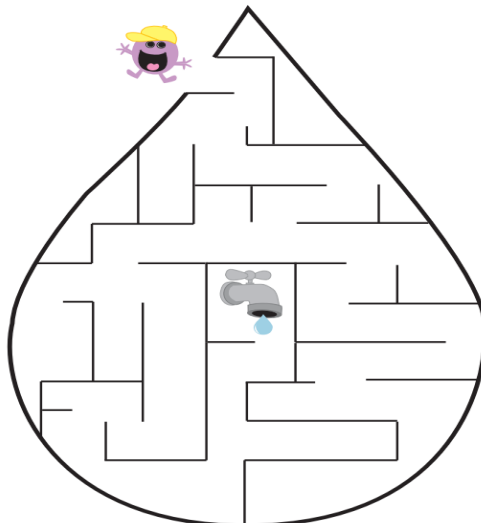

James also wrote that our words are like a small flame. Even a little flame can catch a whole forest on fire! Just a few little words can cause a lot of trouble too. Sometimes just a few words can lead to anger, murder, or even war. Our words can do good or bad things, so we have to be careful about what we say.

James wrote to help us see how important it is to ask for God's help to say only good words.
