

**W**ELCOME VISITORS! Thank you for joining us today to worship the Lord. If this is your first visit here, please honor us by filling out a visitor's card found on the back of each pew. Your prayer requests may also be made on the flip side of the card. At the close of service, please put your card in the contribution box at the front of the auditorium as you exit. Or you can hand it to any member.

During the service we will celebrate communion. (Sacraments are available on the table in the entry foyer.) This is a time that we partake of unleavened bread and juice from the fruit of the vine to remind us what Jesus has done for us. Communion is not only about Jesus' death, but his resurrection and triumph over death and sin. His resurrection is the source of our hope that God will fulfill his promise of eternal life through Jesus the Christ.

## ***DON'T SETTLE FOR AVERAGE***

If a man were to stand with one hand on a hot stove and one hand in a freezer, some statisticians would assert that, on average, he's comfortable.

This reminds me of some who seem to feel that they can come to church services on Sunday and yet live like the devil during the week. They say that they are, on the average, pretty good people.

Such a person cannot be comfortable any more than the man with one of his hands on the stove and the other in a freezer. He is "a doubleminded man, unstable in all his ways" (James 1:8). He has only enough religion to be miserable, but not enough to go to heaven.

Jesus does not want average; average nauseates Him. He will vomit out of His mouth those who are lukewarm (Revelation 3:15-16).

Let us all get all the way on the Lord's side now, lest we spend eternity with the devil.
