GRACE

Worshipping Serving Fellowship

WELCOME VISITORS!

We are delighted that you have come to worship the Lord with us today. If you are a guest, please fill out a visitor's card and place it in the offering plate when it is passed. Prayer requests can also be made on the other side of the card.

For us communion isn't only about his death, but his resurrection and triumph over death and sin. His resurrection is the source of the hope we have that God will one day fulfill; eternal life through Jesus the Christ.

We invite all who believe and are baptized in Jesus to share the Lord's Supper with us in remembrance of his great sacrifice and triumph on our behalf.

Plug In *For where two or three are gathered in my name, there am I among them."*

Finding Our Forever Family

As a person who works in the Foster Care/Adoption Field, adoption is very close to my heart. Adoption is the legal act of taking in another's child and raising them as their own. Adoption is a widely known method of growing a family, and is also referenced in the Bible. Ephesians 1:5 states,

“God decided in advance to adopt us into his own family by bringing us to himself through Jesus Christ. This is what he wanted to do, and it gave him great pleasure.” Ephesians 1:5 (NLT)

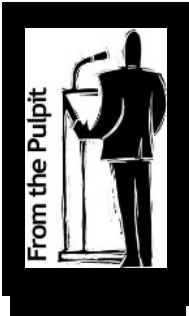

Adoptions are always a joyful celebration, especially for children that are adopted out of the foster care system. During the month of November the foster care community gets to celebrate National Adoption Month. Every county in Texas celebrates as many adoptions as possible over the course of a couple of days, as an effort to bring awareness to the number of children that are waiting to be adopted.

The foster care/adoption process is not easy. Before the celebration of becoming a member of a new family there is a lot of loss that happens. The time spent in the foster care system is a time of loss for each and every child. It can include the loss of family, friends, home, and the semblance of normalcy in their daily lives. Even our babies and young children who may not remember what happened prior to their adoption have still suffered a big loss that no child their age should have had to experience. God understands this loss that so many children have to go through, because he gave up his own child in order to save everyone.

During Jesus' teachings He tells his disciples to let the children come to Him and that anyone who welcomes a child in His name also welcomes God into their heart. We have to be willing to give up ourselves for God. We have to be willing to allow God to be in control and be welcomed into His forever family. For me, Foster Care and Adoption is about fulfilling these teachings in caring for children and helping children be adopted into their forever family.

I have been blessed to be a part of 24 adoptions during my time working in foster care, as well as witnessing many more adoptions that I helped in some part of their journey. From babies to 17 year old children, each one is so special knowing they finally have a home and parents that love them unconditionally.

Just as God brought us into his family through loss and adoption, I love being a part of so many foster children's journey to being adopted by a family and into God's family. - **Susanna Corder**
