Worshipping Serving Fellowshiping

WELCOME VISITORS!

We are delighted that you have come to worship the Lord with us today. If you are a guest, please fill out a visitor's card and place it in the offering plate when it is passed. Prayer requests can also be made on the other side of the card.

For us communion isn't only about his death, but his resurrection and triumph over death and sin. His resurrection is the source of the hope we have that God will one day fulfill; eternal life through Jesus the Christ.

We invite all who believe and are baptized in Jesus to share the Lord's Supper with us in remembrance of his great sacrifice and triumph on our behalf.

Plug In *For where two or three are gathered in my name, there am I among them."*
- Matt. 18:20

A Sparrow's Fall

I bet many of you reading this today have felt alone at some point. I don't mean the kind of alone where you are in the house by yourself for a couple of hours. I mean the kind of alone where you go off by yourself and try and figure out what life is all about and if you really matter. The kind of alone where your eyes tear up and you wonder how am I going to keep moving forward. The kind of alone where you ask yourself, " does God know that I even exist?" If you have ever had those feelings of extreme anxiety and aloneness I can assure you that you are not at all by yourself in that regard. I have felt those same feelings and drawn those same shaky breaths.

I was reading a passage out of Matthew chapter 10 verses 29-31 the other night. It said:

"Are not two sparrows sold for a penny? Yet not one of them will fall to the ground apart from the will of your Father. And even the very hairs of your head are all numbered. So don't be afraid; you are worth more than many sparrows." I have read that passage dozens of times but for some reason it hit me like a ton of bricks that God really does see me. This was Jesus himself saying that every single bird that falls to the ground does so with Gods foreknowledge. Nothing goes unnoticed by God. Nothing in nature and surely nothing in our lives. Even the very hairs on our head are numbered by God. Jesus didn't have to say that if it wasn't true. He has been with God since the beginning so obviously he knows his nature better than any of us. Imagine, I am known down to the last detail by God. He knows us absolutely. Let that sink in a bit. You and I have never been completely alone, even when we felt like it. We were always walking with the King. We are a part of his plan. We are just like the sparrows.
