Worshipping Serving Fellowshiping

WELCOME VISITORS!

We are delighted that you have come to worship the Lord with us today. If you are a guest, please fill out a visitor's card and place it in the offering plate when it is passed. Prayer requests can also be made on the other side of the card.

For us communion isn't only about his death, but his resurrection and triumph over death and sin. His resurrection is the source of the hope we have that God will one day fulfill; eternal life through Jesus the Christ.

We invite all who believe and are baptized in Jesus to share the Lord's Supper with us in remembrance of his great sacrifice and triumph on our behalf.

Plug In *For where two or three are gathered in my name, there am I among them."*

Article

As a small child, I spent many happy hours sitting in the sand playing with horny toads. I loved to turn them over on their backs and rub their tummies until they fell asleep. My family didn't have much money, but we were never hungry. Like Jesus, my daddy was a carpenter. So we moved often, to the next town where work was available. Toys and personal possessions were scarce, but I felt content and loved. Our family was always together.

For many years, I was part of another loving family-- my church family at Westworth. In 2004, my husband and I moved away, first to California then to Indiana. Our search for a place to worship in California was very unsatisfactory, and I felt that I would never find another church family. In early 2005, we moved to Indiana, and I called the number for a little church to get information about service times. The next Sunday, we went to the morning service, and I sighed with relief. The people there were a family, and I immediately felt at home.

No matter how far away from "home" we are, God is with us, and we are part of His family. Like the horny toads that fell asleep in the palm of my hand, we feel comfort in God's loving hands. We do not need expensive toys, or a large fancy house. If we are part of God's family, we are rich beyond measure.
