

### **Social Distancing Service Guidelines:**

We are encouraging those over 65 and those at risk to not attend in-person services but to take advantage of our online offering.

We ask that everyone please wear a mask. If you do not have a mask the church can provide one.

When arriving at the church please be conscious of social distancing. We love all our members and guests but please refrain from handshakes and hugs.

Entrance to the church is on the South side (White Settlement Road). The North door is exit only.

Leadership will be ushering in families and individuals so please wait to be seated. Seating will be from the front of auditorium to the back. Unfortunately, you may not get your normal seat if you have one.

When entering the building there will be a line to be seated please stand in the indicated area on sidewalk under breezeway.

Upon entering the auditorium there will be a table for communion supplies for those partaking in communion. Communion is set up as individual cups with lids. There will be a trash receptacle as you leave the building.

Offering plates will not be passed. There is an offering box as you leave the building.

The Library and the Cry room will be closed.

Restrooms are one person at a time please.

The church will not be using the coffee makers.

Personal items have been placed in the library. Please do not leave items in pews since we cannot save seats.

At the completion of the service each family or individual will be escorted out the North door. Please do not leave until leadership has released your group. We will be exiting the building from the front to back.

In the event we have reached our maximum capacity in the auditorium we will have overflow seating in the Activity Building with the Facebook Live stream on the big screen.

We know that some people do not agree with the policy of social distancing and that is understandable. If you feel like you can not adhere to these guidelines, please take advantage of our online offerings.
