### WELCOME VISITORS!

We are delighted that you have come to worship the Lord with us today. If you are a guest, please fill out a visitor's card and place it in the offering plate when it is passed. Prayer requests can also be made on the other side of the card.

For us communion isn't only about his death, but his resurrection and triumph over death and sin. His resurrection is the source of the hope we have that God will one day fulfill; eternal life through Jesus the Christ.

We invite all who believe and are baptized in Jesus to share the Lord's Supper with us in remembrance of his great sacrifice and triumph on our behalf.

## Change of Seasons

All our lives we have learned to adjust to the change in seasons. When I was young, I looked forward to every change with great excitement. The change from winter to spring was so exciting especially when we lived in Kansas. The snow that was once so fun became a nuisance and would all melt. The flowers were about to bloom, and everything was beautiful. And most importantly Spring meant the beginning of Baseball. Then the transition from Spring to Summer. No more school. A lot more Baseball. Going to the pool. Vacation time with the family. And lots of fishing. Fall meant baseball was finally about over. More fishing and the turning and falling of the leaves. We would rake the leaves in big piles and jump into them. I was convinced at one time that if I got a big enough pile, I could jump out the second story window and not get hurt. Then the transition from fall to winter. When you are a child playing in the snow was so much fun. We were too naive to understand the problems of school days getting canceled. The problems with driving with snow and ice on the road.

We as adults go through Seasons of life. As you know, I have recently changed to a new season. The Season of being a single adult. This was not a season I asked for. The last time I was a single adult I was young and had all the answers. Now I am old and clueless.

We as a congregation are in a change of Season as we change preachers. We are not going from good to bad or bad to good. But we are just going through a change. To me it is an exciting thing to do. We will get a new way to look at things. We will see new and different opportunities to serve God. Some things will stay the same and other things we will get to look at through different eyes. I invite you to come and join us as we embrace the new ideas that the Lord is revealing to us.
