# The Westworth Word

## **WELCOME VISITORS!**

We are delighted that you have come to worship the Lord with us today. If you are a guest, please fill out a visitor's card and place it in the offering plate when it is passed. Prayer requests can also be made on the other side of the card.

For us communion isn't only about his death, but his resurrection and triumph over death and sin. His resurrection is the source of the hope we have that God will one day fulfill; eternal life through Jesus the Christ.

We invite all who believe and are baptized in Jesus to share the Lord's Supper with us in remembrance of his great sacrifice and triumph on our behalf.

# In Harm's Way

I've recently been helping my younger brother do some remodeling work. It's nice to be around my brother but wow, I'm glad I was a school teacher. That carpenter stuff is hard work. One of the main tools that he uses is a high powered air gun. It lets you drive a nail through a two by four with the push of a finger. When we were kids my brothers and I helped our dad, who also was a carpenter, beat nails into boards with a hammer. I guarantee it's much, much easier now using that air gun. He, of course, told me to never get my hand in the way as I was holding the boards. That nail gun would have shot a nail through my palm quicker than you could blink.

We go out of our way to be safe, don't we. We protect ourselves at all cost so we aren't harmed or hurt on the job. I say all this because who in their right mind would want their palm pierced or some other calamity to befall them. Who would deliberately put themselves in danger and feel the agony of a nail piercing your flesh. And yet we know someone who did have his palms pierced. We know one who had the long spike driven through his feet. We believe in one who deliberately put himself in harm's way and suffered unbelievably because he loved us, his human creation. I can't imagine the dread Jesus felt going to the cross, anticipating the pain that awaited from being tortured in this horrific way. I don't understand why he did it for us. Why was his love so deep for mankind that he endured the cross and suffered its shame to save us sinners? It's a mystery but also a great, marvelous blessing. Let the love of Jesus fill your hearts and remember he put himself in harm's way for you.
