WORD**

# WESTWORTH CHURCH OF CHRIST

**Worshipping - Serving - Fellowshiping**

**T**hank you for coming to worship the Lord with us today. If this is your first visit here, please honor us by filling out a visitor's card found on the back of each pew. Any Prayer requests you may have can also be made on the other side of the card. At the close of service, please put your card in the contribution box at the exit.

We will take time during the service to celebrate communion. This is a time that we partake of unleavened bread and juice from fruit of the vine to remind us what Jesus has done for us. Communion is not only about Jesus' death, but his resurrection and triumph over death and sin. His resurrection is the source of our hope that God will one day fulfill His promise of eternal life through Jesus the Christ.

## Nothing Can Separate Us

### ***Romans 8:38-39***

*For I am persuaded that neither death nor life, nor angels, nor principalities nor powers, nor things present nor things to come, nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord.*

What a comfort to know that nothing can separate us from our Heavenly Father. Because of my upbringing, where love seemed very conditional from my parents as well as God; I had trouble seeing God as a loving Father, rather than a God who loved me conditionally – loving me more if I was “good”, and less if I was “bad”. But praise God, through my husband’s love and church family’s love, I can experience God’s unwavering love for me through that expression of human love.

In these uncertain and anxiety provoking times in the world, I can choose to focus on the word of God that assures me that nothing in this crazy world will ever separate me from Him, through my precious Savior’s love for me.

We need not fear death, rulers, the evil one or things to come, because Christ sits at the right hand of the Father, interceding for us.

Let us keep our hearts and eyes on Jesus and let us be a comfort to a world that desperately needs the saving grace of Jesus. Let us be the human hands of God here in this hurting world. Let us pray that our church will help others find the blessed assurance that no tribulation, distress, or persecution shall separate those of us who have accepted Jesus as our savior from our loving Father in heaven. We have a new perfect life to look forward to.

Hallelujah!!!

## More Good News - Malawi Update

Snoden has reported that fifteen of the children in the preschool program are seven years old and truly need to be in Kindergarten. In his discussions with government officials, it appears the Malawian government is favorable to allowing Snoden to add a Kindergarten program to the existing school. This addition would allow those older children to move up, subsequently opening fifteen spots for new children. Adding another grade level will require more teachers. Currently, the only permanent teachers they have are Snoden's wife Susan and her assistant Madalo.

God has greatly blessed the program, allowing for the purchase of uniforms and even shoes for each student. Also, the program feeds not only students at the school, but also a large number of children that come just to be fed.

The maize crop is healthy and producing an abundance. So much so, in fact, that Snoden feels a storage building is needed to contain the harvest. This is another immediate need that should be covered in prayer. There is still the hope and early plans to be able to feed the children a more varied diet and to feed them twice each day, rather than only once each day which is currently all they are able to do.

The wall around the property remains high on the priority list as well. John has asked Snoden to create an estimate of costs for the completion of the wall and for construction of the storage building, as well as the cost of hiring another teacher.

Snoden and Susan's love for all the children in the program is incredibly obvious. They're filled with joy at the prospect of being able to help more of the village children.
