

Thank you for joining us to worship the Lord today. If this is your first visit here, please honor us by filling out a visitor's card found on the back of each pew. Your prayer requests may also be made on the flip side of the card. At the close of service, please put your card in the contribution box at the exit.

During the service we will celebrate communion. This is a time that we partake of unleavened bread and juice from fruit of the vine to remind us what Jesus has done for us. Communion is not only about Jesus' death, but his resurrection and triumph over death and sin. His resurrection is the source of our hope that God will fulfill His promise of eternal life through Jesus the Christ.

Romans 6:1-3 (NLT)

¹Well then, should we keep on sinning so that God can show us more and more of his wonderful grace? ²Of course not! Since we have died to sin, how can we continue to live in it? ³Or have you forgotten that when we were joined with Christ Jesus in baptism, we joined him in his death?

Moments of Inspiration

Are you familiar with this radio broadcast produced by the 9th Street Church of Christ in Ballinger (Max Pratt)? The program is broadcast in the US and internationally through various radio stations and shortwave. (sadly no DFW local broadcast) Each program is , however, available at the MOI website:

TIME

Lanette had an uncle who passed away a few days ago. He lived a good long life but he was pretty worn out when it was time to say goodbye to this world. We sat with him in hospice care the last few days of his life. It wasn't real pleasant but it felt like the right thing to do. He did not have many relatives left. Most of his friends had already passed on. He was almost like the last leaf on a tree as fall turns to winter. It was time.

The concept of time is a real fickle issue. To some, time moves too slowly. To others, time moves so fast you wonder where it's all gone. In the end our time on earth is really a very short experience. We rush and worry. We grow anxious and exasperated. We laugh, we cry, we love, we mourn, we hope, we believe, we die.

We all end up the same in this world. However long or short time we have, we all end up the same.

I hope in the time you have left in your life; you use it wisely. We can't come back when we are gone. Love freely, appreciate deeply, smile often and remember our time with God will be forever. That gives us hope for eternity regardless if our time here is long or short.

Have you responded???

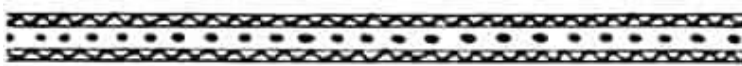

Earlier this month, an email from ***westworthchurch@sbcglobal.net*** should have arrived in your email inbox. The subject line of the email was “**Kid’s Beach Club Interest**”. Just so you know... The subject is not about having your kids join a club that goes to the beach on a regular basis. :-) If you did not receive this email, or wish to have it resent, please contact Sherry Yates.

Kid’s Beach Club is a program for elementary school -aged children that provides activities, stories, games and fun with Christian values applied at an age-appropriate level. Westworth purchased this program and the curriculum a while ago, and used it at Burton Hill Elementary with the approval and encouragement of the school officials.

David Keller and Susan Flaherty are interested in providing this program to the children here at Westworth but certainly wanted to gain insight into the interest level before going forward.

The survey is short - please take a couple of minutes to respond so plans can proceed based on interest levels.

This is the link to the survey, if you just want to put it in your computer to respond: **https://docs.google.com/forms/d/e/1FAIpQLScXix_uerqm9oaOBVTSoli9Gp3eKdV7a64NFcjb4KQyO75rVQ/viewform?usp=sf_link**
