

THE WESTWORTH
WORD

WESTWORTH CHURCH OF CHRIST

Worshipping Serving
Fellowshipping

Thank you for joining us to worship the Lord today. If this is your first visit here, please honor us by filling out a visitor's card found on the back of each pew. Your prayer requests may also be made on the flip side of the card. At the close of service, please put your card in the contribution box at the exit.

During the service we will celebrate communion. This is a time that we partake of unleavened bread and juice from fruit of the vine to remind us what Jesus has done for us. Communion is not only about Jesus' death, but his resurrection and triumph over death and sin. His resurrection is the source of our hope that God will fulfill His promise of eternal life through Jesus the Christ.

Galatians 6:7-10

⁷ Do not be deceived: God cannot be mocked. A man reaps what he sows. ⁸ Whoever sows to please their flesh, from the flesh will reap destruction; whoever sows to please the Spirit, from the Spirit will reap eternal life. ⁹ Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. ¹⁰ Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers.

Denial

Have you ever denied Christ? I have.

In the Bible, Peter assures Jesus that he will never deny Him (Matthew 26:33-35). I used to be cocky in believing the same thing about myself too. I am not typically very outspoken about my religious beliefs, but I truly thought that I could never betray God. I would sometimes wonder about Peter's cowardice in doing so (Matthew 26:69-75).

However, I have come to realize that I deny Him through everyday conversation in what I thought were benign comments.

Just this past year I have engaged in conversations with those who are still unsure about their relationship with God, or even if there is a God. Instead of offering resources and information to assist in their spiritual journey, I falter. When asked, I find myself uttering phrases such as "I go to church, but I'm not a religious nut," or "I am a Christian, but I will never try to cram *it* down your throat."

If I am honest with myself, the main reason I say these phrases is because I am afraid of not fitting in. What if my 'friend' doesn't like me anymore? What if he/she thinks I am overzealous?

Secondly, my intention is to make Christianity look casual and non-threatening in hopes that my friend will be more inclined to join if he/she doesn't feel attacked.

The reality is that these comments are hurtful and demeaning to God. Caving in to social pressure makes me a coward. And my waffling on the topic only leaves further breeding room for my friend's doubts.

My inadvertent denial of Christ through these types of comments is brutal and humiliating.

Like Peter, I too have wept bitterly at this revelation (Matthew 26:75).

My focus has been on the wrong relationship. In attempting to spare short term awkward conversation with my friends – I am causing long term harm to God and myself. It is a true blessing that our sins are forgiven and that despite my flaws, God still calls me by name.

Are you interested?

Earlier this week, an email that included a link to a brief survey was distributed to all members.

The email/survey was looking to gauge interest in a program for young children here at church using the Kid's Beach Club curriculum.

Some of you will recall we had previously worked with Burton Hill Elementary School to deliver this program to children there. Even though we are not in a position to go back into the schools, we can certainly use the program to benefit our families.

David Keller and Susan Flaherty would like to work together with others to deliver this program to our young ones, if the level of interest supports establishing a schedule.

If you did not receive the email please let Sherry know so it can be forwarded to you.

If you did get the email, we are asking **EVERYONE** (not just those with young children) to respond to the survey. The hope is that any member interested in a program for kids will offer their time and skills in any of a number of ways.

This is the link to the survey, if you just want to put it in your computer to respond: https://docs.google.com/forms/d/e/1FAIpQLScXix_uerqm9oaOBVTSoli9Gp3eKdV7a64NFcjb4KQyO75rVQ/viewform?usp=sf_link
