

WORSHIPING ,SERVING, FELLOWSHIPING

WELCOME VISITORS! Thank you for joining us today to worship the Lord. If this is your first visit here, please honor us by filling out a visitor's card found on the back of each pew. Your prayer requests may also be made on the flip side of the card. At the close of service, please put your card in the contribution box at the front of the auditorium as you exit. Or you can hand it to any member.

During the service we will celebrate communion. (Sacraments are available on the table in the entry foyer.) This is a time that we partake of unleavened bread and juice from the fruit of the vine to remind us what Jesus has done for us. Communion is not only about Jesus' death, but his resurrection and triumph over death and sin. His resurrection is the source of our hope that God will fulfill his promise of eternal life through Jesus the Christ.

I GUESS IT'S OFFICIAL!

Another "stamp:" to make our loss official...

York College has formally announced John's appointment to the position of Vice-President of Student Life, effective June 13.

The complete announcement can be seen at this link:

[Jewell Joins York College as VP of Student Life - York College](#)

Comments from John's friend and President of the college included:

According to President Smith, "John brings a deep knowledge of building community, leading teams, and pointing people to the Lord. His gifts will help him to seamlessly step into this role to provide our students with an incredible experience outside of the classroom, and a safe experience which supports their academic endeavors while attending York University.

"John will focus on developing a Student Life team that is attentive to the needs of college students in 2022 and beyond. He and his incredible family have literally moved all over the world to serve the Lord through various mission fields including Brazil and Malawi. With the Jewells' continued mission efforts in Malawi, we hope to build a bridge of academic opportunities through York University for those students in the mission field. Their work will also create unique mission-trip opportunities for our students in the future."

Samantha has also posted a blog about their upcoming relocation and new opportunities to serve Christ. Her comments can be found at this link: <http://brazilianjewells.blogspot.com/>
